FRONT DESK & DAILY OPERATIONS

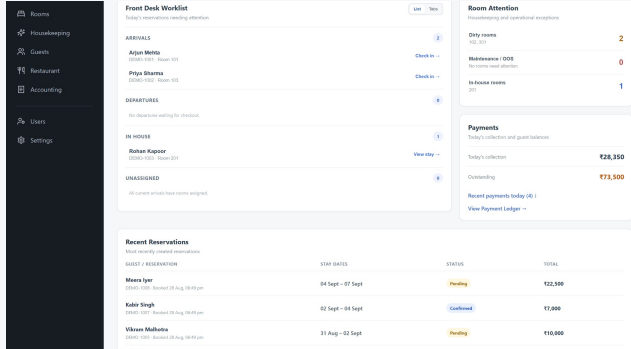

Manage the guest stay from one place.

From reservation and room assignment through payments, stay extensions and checkout, Front Desk can manage the guest journey without jumping between systems.

Front Desk

Create reservations, change rooms, extend stays, record payments, check in and check out.

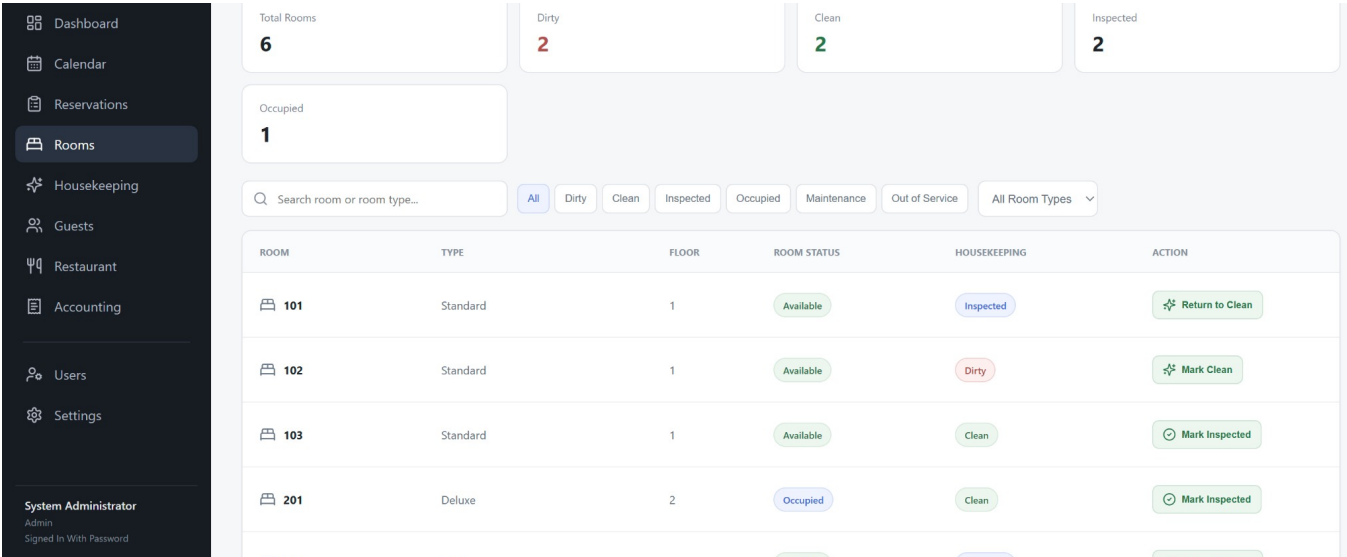

Today's operations

Occupancy, arrivals, room attention, collections and outstanding balances at a glance.

ROOMS & HOUSEKEEPING

Keep rooms ready and teams coordinated.

Track rooms through cleaning and inspection so Front Desk knows what's occupied, available and ready for the next guest.

Rooms & Housekeeping

Dashboard showing room status counts:

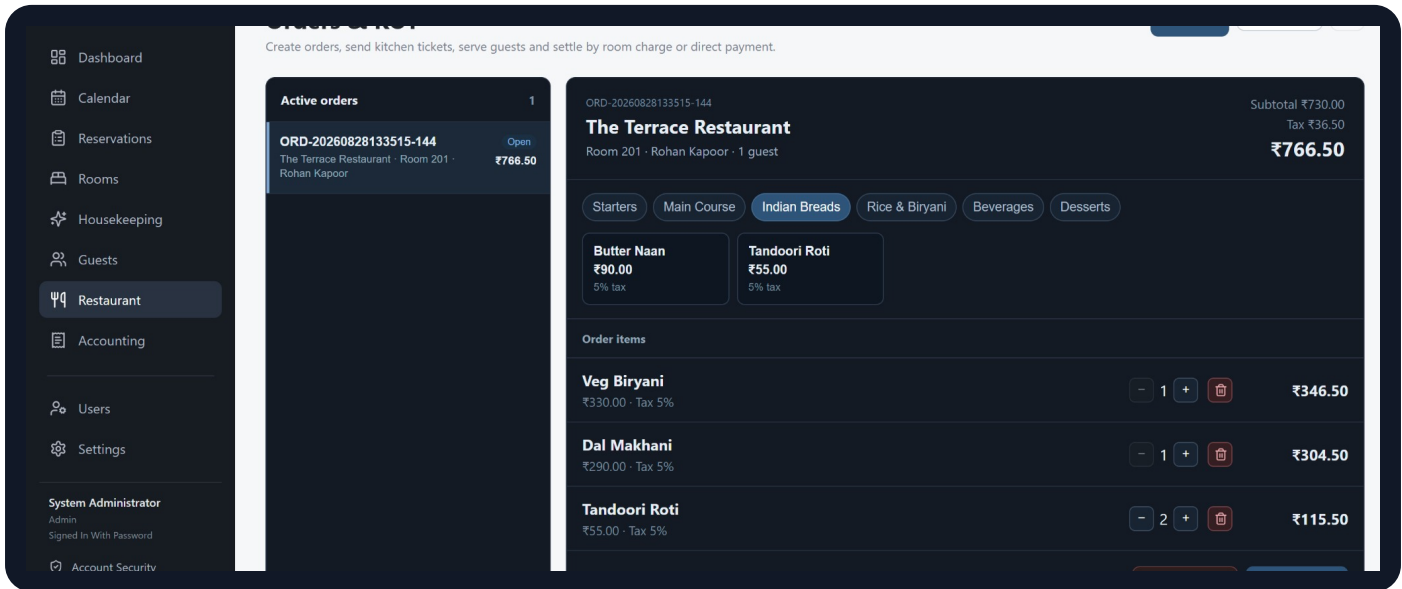

- Total Rooms: 6
- Dirty: 2
- Clean: 2
- Inspected: 2
- Occupied: 1

Search room or room type...

ROOM	TYPE	FLOOR	ROOM STATUS	HOUSEKEEPING	ACTION
101	Standard	1	Available	Inspected	Return to Clean
102	Standard	1	Available	Dirty	Mark Clean
103	Standard	1	Available	Clean	Mark Inspected
201	Deluxe	2	Occupied	Clean	Mark Inspected

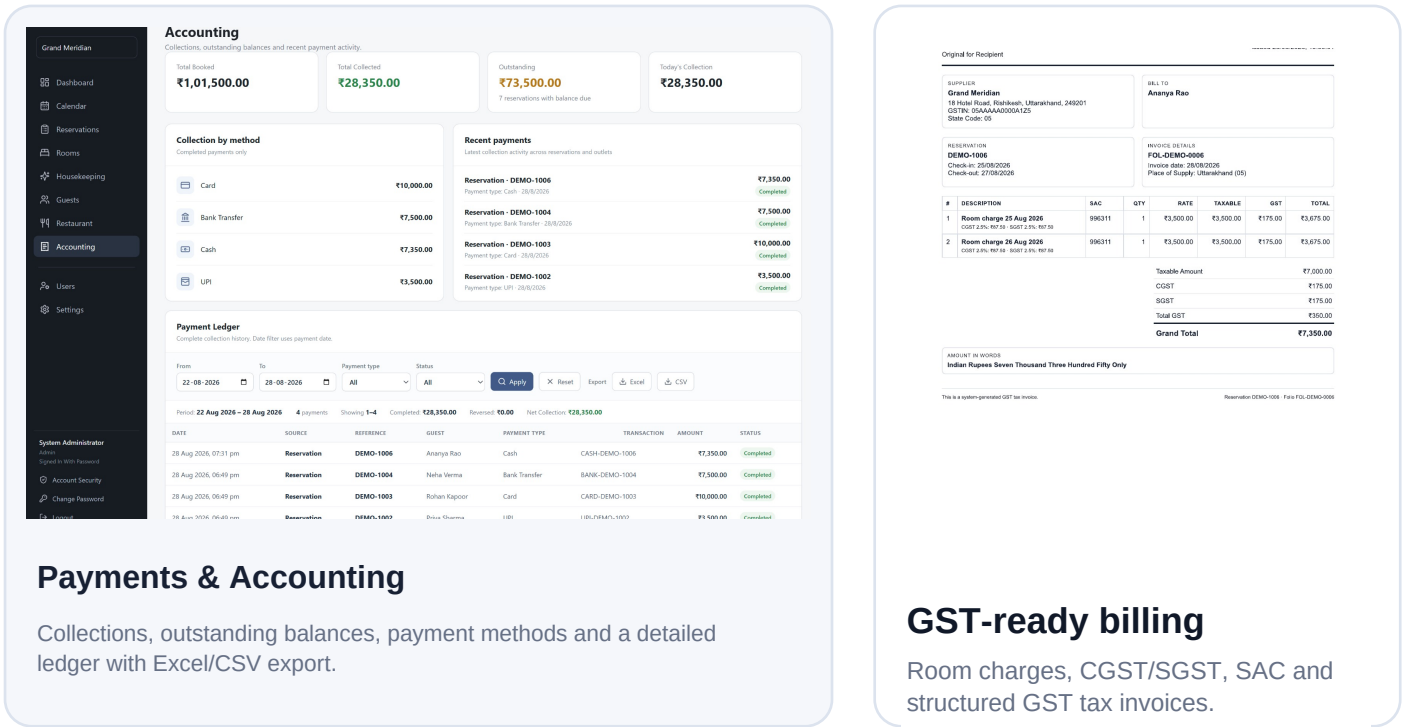

Connect guest services with the stay.

Restaurant activity, guest payments and billing stay connected to the hotel's operational workflow.

Restaurant operations

Orders & KOT | Kitchen Display | Menu Management | Order History | Restaurant Insights

PRICE · SELL DIRECT · UNDERSTAND PERFORMANCE

Grow the rooms business from the same system.

Set stay-date pricing, accept direct bookings and understand room performance - connected to daily hotel operations.

BUILT FOR INDEPENDENT HOTELS

One system. Different responsibilities.

Give each team the tools they need while keeping hotel operations connected.

Front Desk

Reservations, guests, rooms, payments and stay management.

Housekeeping

Dirty, clean and inspected room workflow.

Restaurant

Orders, KOT, kitchen workflow and guest context.

Accounts

Collections, balances, payment ledger and GST billing.

Nightly Rates

Base rates, stay-date overrides, bulk changes and effective-rate visibility.

Direct Booking

Live availability, nightly pricing, taxes and secure online payment flow.

Management Intelligence

Occupancy, ADR, RevPAR, room revenue and trend analysis.

Manager / Admin

Operational visibility, pricing, performance, configuration and user access.

FOUNDING HOTEL PROGRAMME

Become a HotelPMS Founding Hotel.

We're working with a small number of independent hotels as we introduce HotelPMS. Founding hotels receive hands-on assistance from DKSR during configuration and staff onboarding, together with an opportunity to provide direct feedback that helps shape future product improvements.

Best suited today for independent hotels, boutique hotels and guest houses.

See HotelPMS working with a real hotel workflow.

From the first reservation to the final GST invoice, see how HotelPMS can bring your hotel operations together.

[Request a Demo](#)

HotelPMS

Your hotel operations, in one place.

SIMPLE ROOM-BASED PRICING

One complete HotelPMS. Priced by property size.

Core hotel operations are included across every room band. Annual plans provide roughly two months free compared with monthly billing.

Included in every plan

PROPERTY SIZE	MONTHLY	ANNUAL
1-10 rooms	Rs 1,499 / month	Rs 14,990 / year
11-20 rooms	Rs 1,999 / month	Rs 19,990 / year
21-35 rooms	Rs 2,999 / month	Rs 29,990 / year
36-50 rooms	Rs 3,999 / month	Rs 39,990 / year
51-75 rooms	Rs 4,999 / month	Rs 49,990 / year
76+ rooms	Talk to us	Custom

Prices exclude applicable GST. Standard implementation: Rs 4,999 + GST; waived on annual subscriptions. Complex data migration or custom integrations may be quoted separately.

Distribution when you need it.

Direct booking today. Broader distribution when you need it.

Direct Online Booking is included in the core HotelPMS subscription. OTA / Channel Manager connectivity is being developed as an optional distribution capability; when introduced, there will be no additional HotelSaaS OTA connectivity fee. OTA or marketplace charges remain separate.

FOUNDING HOTEL PROGRAMME - FIRST 5 PROPERTIES

Rs 19,999 + GST for your first year.

For independent hotels with up to 30 rooms. Run the complete current HotelPMS and work directly with DKSR while we onboard your property.

✓ Complete HotelPMS	✓ Restaurant / POS	✓ Nightly Rates
✓ Direct Booking	✓ Management Intelligence	✓ Implementation & setup
✓ Initial data assistance	✓ Staff training	✓ Priority support

Year 2 protection

Year 2 renewal will not exceed Rs 24,999 + GST while the property remains within 30 rooms and no separately priced services are added.

A complete core product

Lower room bands do not receive a cut-down PMS. Pricing changes with property size, not by disabling essential hotel workflows. Monthly and annual billing are available. Restaurant / POS is included in the current core subscription.

See HotelPMS working with a real hotel workflow.

Request a practical walkthrough around the way your property operates.
